Re: Bus transportation for students Grades K – 12.

Dear Holbrook Families,

As you know, we are working diligently with First Student to put together our bus routes for the upcoming 2017-2018 school year. School districts in Massachusetts are required by General Law (Ch.71 section 68) to bus all students from grades kindergarten through grade 6 living over **2.0 (two)** miles from the school address.

However, the Holbrook School Committee adopted School Committee Policy EEAA on September 5, 2007, to transport all students from grades kindergarten through 6 living **1.0 (one) mile or over from school.**

Our new school building will open on August 30, 2017. **We are attempting to transport all students in Grades K – 12 living 1.0 (one) mile or over from school next year.** The new school address is 245 South Franklin Street.

**WE NEED YOUR HELP** to determine which eligible students will be riding the school bus this upcoming school year.

Please inform us of your transportation plans by returning this form to the school office as soon as possible:

My child/ren **WILL BE** riding the school bus for the next school year 2017-2018.

Please list their names: \_\_\_\_\_

My child/ren **WILL NOT BE** riding the school bus for the next school year 2017-2018.

Please list their names: \_\_\_\_\_

Please provide your address: \_\_\_\_\_

Thanks for your time and consideration.
